On a mobile device, select the broadcast icon at the bottom of the screen to watch the webcast.

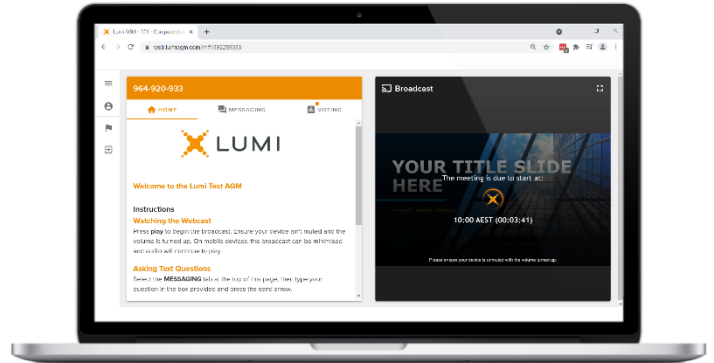

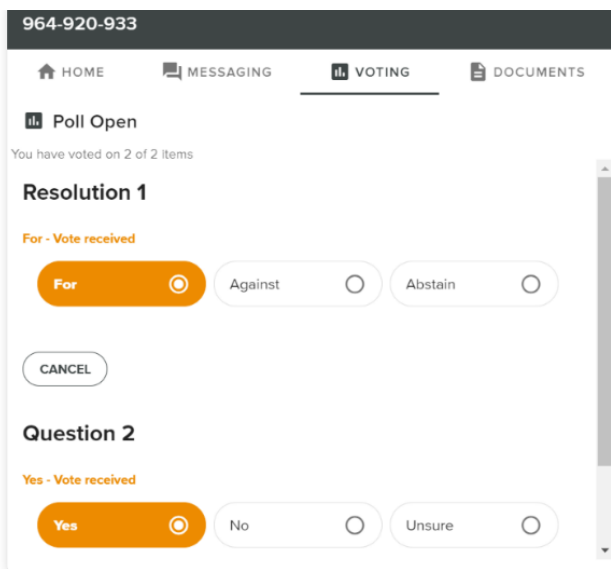

During the meeting, mobile users can minimise the webcast at any time by selecting the arrow by the broadcast icon. You will still be able to hear the meeting. Selecting the broadcast icon again will reopen the webcast.

## VOTING

The Chair will open voting on all resolutions at the start of the meeting. Once voting has opened, the voting tab will appear on the navigation bar.

Selecting this tab will open a list of all resolutions and their voting options.

Desktop / Laptop users can watch the webcast full screen, by selecting the full screen icon.

To reduce the webcast to its original size, select the X at the top of the broadcast window.

To vote, simply select your voting direction from the options displayed on screen. Your selection will change colour and a confirmation message will appear.

To change your vote, simply select another option. If you wish to cancel your vote, please press cancel.

There is no need to press a submit or send button. Your vote is automatically counted.

Voting can be performed at any time during the meeting until the Chair closes the poll.

## QUESTIONS

Any shareholder or appointed proxy is eligible to ask questions.

### Asking questions via text message

If you would like to ask a question. Select the messaging tab.

Select the “Ask a Question” box and type in your question.

Once you are happy with your question, select the send icon.

Questions sent via the Lumi platform may be moderated before being sent to the Chair. This is to avoid repetition and remove any inappropriate language.

Questions can be submitted at any time from the start of the meeting, up until the Chair closes the Q&A session.

### Asking verbal questions via telephone

A teleconference number will be displayed on the home page of the Lumi platform (for shareholders and appointed proxies only).

If you would like to ask a verbal question at the meeting, please dial this number and have your name and Voting Access Code (VAC) ready.

You will hear a welcome message and instructions on how to ask a question.

At the end of the welcome message, you will be greeted by a moderator and asked to provide your VAC. This will verify you as a shareholder and allow you to ask a question. Note, if your holding cannot be verified you will not be able to ask a question.

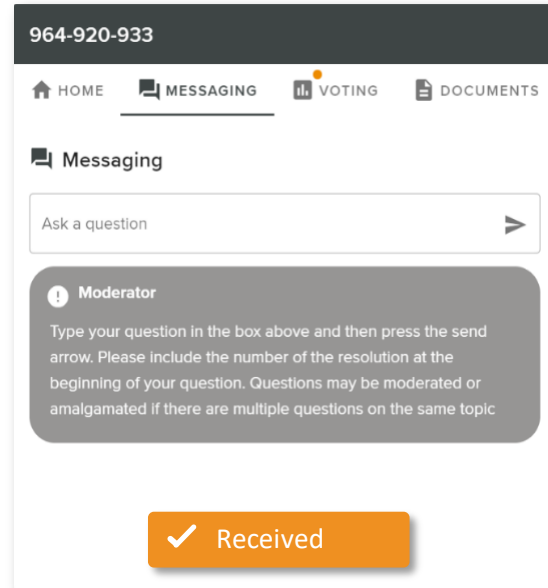

You will then be placed in ‘listen-only’ mode where your line will be muted.

When the Chair calls for questions, press \*1 on your keypad to ‘raise your hand’ to ask a question and you will be placed in a queue.

When it is time to ask your question, the moderator will introduce you to the meeting, your line will be unmuted and you can start speaking. Note, if you no longer wish to ask your question, you can ‘lower your hand’ by pressing \*2 on your keypad.

We also ask that you mute your laptop or desktop device while you ask your question.

Your line will be muted once your question has been asked.
