Keeping Australia Moving

At Ampol, we are dedicated to providing you with the best refuelling solutions in the market. That's why we've built the largest Transport Diesel Refuelling Network in Australia. With ~230 dedicated sites across the nation, and more additions this year, saving money and time when refuelling has never been simpler.

This useful guide that provides the locations and features of every site in the Ampol National Truck Network.

We hope you enjoy our wide range of products, facilities and the added benefits from AmpolCard. They are all designed to keep you moving safely and efficiently.
